

## ASCOLI PICENO TOUR 2018

Our 2018 study tour is a ten day experience in Ascoli Piceno, the southernmost Province in le Marche region. Ascoli is a town of art, culture and strong tradition; its characteristic buildings, streets and piazzas tell the story of centuries of history.

Geographically, the city occupies a strategic location near Sibillini National Park, the Gran Sasso National Park and is 35 kilometres from the Adriatic sea.

The study tour will include daily Italian lessons, exploring the beautiful Medieval town, complemented by excursions in surrounding areas like Offidia, Fermo, Ripatransone, S. Benedetto and more.

The participants will be able to practice Italian while immersed in the following activities: guided walks through historic towns, cooking demonstrations, sampling wines in the vineyards of the area, meeting and chatting with locals, eating delicious traditional regional food.
